

Let Funky Emu help you increase your customer base and improve relationships with your customers with a **facebook Business Page.**

Benefits of using Facebook Business Pages

-  Low cost marketing
-  Demographically target new customers
-  Learn from & engage with existing customers by reading their posts/ comments

So why use Facebook?

-  Half of the UK population uses Facebook
-  50% of Facebook users log in daily
-  On average each person becomes a fan of 2 pages per month

In constant contact's spring 2011 Attitudes and Outlooks Survey 82% of business owners found Facebook effective.
